### **LOCAL SERVICE CODES FOR HOME AND COMMUNITY BASED SERVICES IN THE MINNESOTA SENIOR HEALTH OPTIONS (MSHO) PROGRAM**

## **Local Service Codes for Home and Community Based Services in the Minnesota Senior Health Options (MSHO) Program**

Claims for the following home and community based services are submitted on the HCFA 1500. Plans must use the standard national codes wherever available. Some Elderly Waiver services, however, do not have the national codes. For uniformity of data, plans must use the DHS proprietary codes where standard national codes do not exist.
